THE LAST 20000 YEARS

Geologists propose the possibility of a great flood in the Middle East at the end of the last Ice Age, which was about 7,000 years ago. At that time, the Black Sea was a freshwater lake surrounded by farmlands.

The Tower of Babel and the Flood Stories intermix. Both are vehicles for ancient trauma in the collective. Both place the truth in the room (reset) framed in an acceptable costume for the current audience.

World's largest pyramid by volume, the **Great Pyramid of Cholula** has its origin in the ancient Nahuatl word cholollan, meaning "place of refuge." The city was once called Acholollan (in Nahuatl), meaning place of flight or water that falls in the place of flight. The Aztecs believed that Xelhua, one of the giants from their mythology, had constructed the pyramid of Cholula.

The Original “Preserver” story wasn’t meant to survive a flood. The ancient memory morphed into a flood myth to fit the cultural threat of a primitive civilization.

The Preserver of Life was made of solid timber, so that the rays of Shamash (the sun) would not shine in.

Deucalion, with the aid of his father Prometheus, was saved from this deluge by building a **chest**. Like the biblical Noah and the Mesopotamian counterpart Utnapishtim, he uses this device to survive the deluge with his wife, Pyrrha, daughter of Epimetheus. They repopulated the world by throwing stones over their shoulders.

In Hindu teachings, Manu, or the first man, was visited by a fish, Lord Vishnu. Vishnu told Manu that the world would be destroyed in a great flood. Manu built a boat and tied it to the horn of the great fish. The fish guided Manu's boat through the floods and, not surprisingly, to the top of a mountain. When the floodwaters receded, Manu performed a ritual sacrifice and poured butter and sour milk into the sea. After a year, a woman rose from the water and announced herself as "the daughter of Manu." So it is Manu and his "daughter" that repopulate the earth.

| Timeline (days) | Duration | Month/Day | Description | Bible Reference |
|---|--|---|---|---|
| 0 | Initial reference point | 600th year of Noah's life: 2nd month, 17th day of the month | The fountains of the great deep broke apart and the windows of heaven were opened; it began to rain. This happened on the seventeenth day of the second month. Noah actually entered the Ark seven days prior to this. | Genesis 7:11 |
| 40 | 40 days and nights | 3rd month, 27th day of the month | Rain fell for 40 days, and then water covered the earth's highest places (at that time) by over ~20 feet (15 cubits) and began the stage of flooding until the next milestone. ² | Genesis 7:11-12 , Genesis 7:17-20 |
| 150 | 150 days (including the initial 40 days) | 7th month, 17th day of the month | The water rose to its highest level (covering the whole earth) sometime between the 40th and 150th day, and the end of these 150 days was the seventeenth day of the seventh month. The Ark rested on the mountains of Ararat. On the 150th day, the springs of the great deep were shut off, and the rain from above ceased, and the water began continually receding. | Genesis 7:24-8:5 |
| 150 + 74 = 224 | 74 days | 10th month, 1st day of the month | The tops of the mountains became visible on the tenth month, first day. | Genesis 8:5 |
| 224 + 40 = 264 | 40 days | 11th month, 11th day of the month | After 40 more days, Noah sent out a raven. | Genesis 8:6 |
| 264 + 7 = 271 | 7 days | 11th month, 18th day of the month | The dove was sent out seven days after the raven. It had no resting place and returned to Noah. ³ | Genesis 8:6-12 |
| 271 + 7 = 278 | 7 days | 11th month, 25th day of the month | After seven more days, Noah sent out the dove again. It returned again but this time with an olive leaf in its beak. | Genesis 8:10-11 |
| 278 + 7 = 285 | 7 days | 12th month, 2nd day of the month | After seven more days, Noah sent out the dove again, and it did not return. | Genesis 8:12 |
| 314 | 29 days | 601st year of Noah life: 1st month, 1st day of the month | Noah removed the cover of the Ark on the first day of the first month. The <i>surface</i> of the earth was dried up, and Noah could verify this to the extent of what he could see. | Genesis 8:13 |
| 370 (371 if counting the first day and last day as full days) | 56 days | 2nd month, 27th day of the month | The <i>earth</i> was dry, and God commanded Noah's family and the animals to come out of the Ark. From the first day of the year during the daylight portion there were 29.5 more days left in the month plus 26.5 more days left in the second month until the exit. | Genesis 8:14-17 , Genesis 7:11 |

ancient Egypt , China , and Japan , and the sacred mountain is called to - day by the Arabs “ Allah's Lat ” (or male organ) , which is the same as “ Arah's Rat , ” or Ararat . So the Ark (the fertile female) rested on Allah's Lat , and brought forth life , an account of a sexual creation . It was 284 days on the “ waters , ” the period of woman's gestation , when “ life ” issued from the “ Ark . ”

The Purpose of Giants

Book of Enoch Chapter 105

14. A great destruction therefore shall come upon all the earth; a deluge, a great destruction, shall take place in one year.

15. This child which is born to you shall survive on the earth, and his three sons shall be saved with him. When all mankind who are on earth shall die, he shall be safe.

16. And his posterity shall beget on the earth giants, not spiritual, but carnal. Upon the earth shall a great punishment be inflicted, and it shall be washed from all corruption. Now therefore inform thy son Lamech, that he who is born is his child in truth; and he shall call his name Noah, for he shall be to you a survivor. He and his children shall be saved from the corruption which shall take place in the world; from all the sin and from all the iniquity which shall be consummated on earth in his days. Afterwards shall greater impiety take place than that which had been before consummated on the earth; for I am acquainted with holy mysteries, which the Lord himself has discovered and explained to me; and which I have read in the tablets of heaven.

Hermon, and they called it Mount Hermon, because they had sworn ⁷ and bound themselves by mutual imprecations upon it. And these are the names of their leaders: Samlazaz, their leader, Araklba, Rameel, Kokabel, Tamlel, Ramlel, Danel, Ezeqeel, Baraqijal, ⁸ Asael, Armaros, Batarel, Ananel, Zaqiel, Samsapeel, Satarel, Turel, Jomjael, Sariel. These are their chiefs of tens.

[Chapter 7]

¹ And all the others together with them took unto themselves wives, and each chose for himself one, and they began to go in unto them and to defile themselves with them, and they taught them charms ² and enchantments, and the cutting of roots, and made them acquainted with plants. And they ³ became pregnant, and they bare great giants, whose height was three thousand ells: Who consumed ⁴ all the acquisitions of men. And when men could no longer sustain them, the giants turned against ⁵ them and devoured mankind. And they began to sin against birds, and beasts, and reptiles, and ⁶ fish, and to devour one another's flesh, and drink the blood. Then the earth laid accusation against the lawless ones.

[Chapter 8]

¹ And Azazel taught men to make swords, and knives, and shields, and breastplates, and made known to them the metals of the earth and the art of working them, and bracelets, and ornaments, and the use of antimony, and the beautifying of the eyelids, and all kinds of costly stones, and all ² colouring tinctures. And there arose much godlessness, and they committed fornication, and they ³ were led astray, and became corrupt in all their ways. Semjaza taught enchantments, and root-cuttings, 'Armaros the resolving of enchantments, Baraqijal (taught) astrology, Kokabel the constellations, Ezeqeel the knowledge of the clouds, Araqiël the signs of the earth, Shamsiel the signs of the sun, and Sariel the course of the moon. And as men perished, they cried, and their cry went up to heaven . . .

[Chapter 9]

¹ And then Michael, Uriel, Raphael, and Gabriel looked down from heaven and saw much blood being ² shed upon the earth, and all lawlessness being wrought upon the earth. And they said one to another: 'The earth made without inhabitant cries the voice of their cryingst up to the gates of heaven. ³ And now to you, the holy ones of heaven, the souls of men make their suit, saying, "Bring our cause ⁴ before the Most High." And they said to the Lord of the ages: 'Lord of lords, God of gods, King of kings, and God of the ages, the throne of Thy glory (standeth) unto all the

Enoch, from the line of Seth, understood the purpose of trauma.

Then I, Enoch, answered and said ; The Lord will effect a new thing upon the earth. This have I explained, and seen in a vision. I have shown thee that in the generations of Jared my father, those who were from heaven disregarded the word of the Lord. Behold they committed crimes ; laid aside their class, and intermingled with women. With them also they transgressed ; married with them, and begot children.

A great destruction therefore shall come upon all the earth ; a deluge, a great destruction, shall take place in one year.

In them I saw it written, that generation after generation shall transgress, until a righteous race shall arise ; until transgression and crime perish from off the earth ; until all goodness come upon it.

And now, my son, go, tell thy son Lamech,

That the child which is born is his child in truth ; and that there is no deception.

Reset Implications

The idea that humans are evil/broken or that humans know too much is contradicted by certain humans being selected to persist.

This tells us, humans are valued and prolific and are plucked and refined. The implication of overpopulation is there which suggests a creator has limited real estate.
